### Chamber Breakfast Thursday, September 24, 2009

Our next breakfast on September 24th will have M.P. Paul Calandra, as our guest speaker. Paul is a graduate of Carleton University in Ottawa, holding a BA in History and Political Science. Prior to being elected, Paul was a small business owner working as an Insurance Broker in York Region. He understands the challenge of growing a small business while spending time with his young family. Paul will be speaking about current economic times, as well as his current initiatives.

### Accessibility Friendly Program Launched

The Township's Accessibility Advisory Committee has launched a program to recognize businesses who strive toward becoming fully accessible to all residents, including those who have a disability. The program informs businesses as well as the business community about accessibility and the AODA (Accessibility for Ontarians with a Disability Act). To have your business evaluated, or for more information please contact the King Chamber. The Accessibility Advisory Committee is a council appointed committee.

KCC is pleased to announce that our new web site ([www.kingchamber.ca](http://www.kingchamber.ca)) is live and has a new look! Guy Russel of Blue Dog helped to make it easier to navigate. Please check your listing; you only need to contact us if there is a correction in your listing.
