King Chamber Luncheon Wednesday, October 14, 2009

The HST Luncheon provided some interesting insight into the HST tax that will be effective in 2010. Chamber members and guests listened intently as the Hon. John Wilkinson spoke of how the HST changes will impact businesses and the benefits it will provide for the economy.

Women's Events Committee

The second KC Ladies' Luncheon was held, Oct. 22nd at Rockford's. Despite having the guest speaker cancel, Mina from Natural Pathways Spa in Nobleton, provided some interesting insight into the healing art of Reiki. Lunch was fantastic, the group was great and a good time was had by all.

Membership Fees NOT Increasing !!!

The Chamber recently approved that fees for 2010 would NOT increase. While costs continue to rise, we understand the economic conditions faced by our members and have decided to retain the 2009 Fees in the best interest of our members.

Think NOW about renewing your membership early so that we will have the resources to serve you better. We need our member's input as to what comments, issues and concerns you have with YOUR Chamber and if we can help you with them.

Please contact the Chamber for membership renewals or to tell us your comments on our progress this year at www.kingchamber.ca <<http://www.kingchamber.ca>> or 905-939-7468
