45 Life Lessons

Written by Regina Brett, of the Plain Dealer, Cleveland, Ohio.

This is something we should all read at least once a week!!!!

1. Life isn't fair, but it's still good.
2. When in doubt, just take the next small step.
3. Life is too short to waste time hating anyone.
4. Your job won't take care of you when you are sick. Your friends and family will. Stay in touch.
5. Pay off your credit cards every month.
6. You don't have to win every argument. Agree to disagree.
7. Cry with someone. It's more healing than crying alone.
8. It's OK to get angry with God. He can take it.
9. Save for retirement starting with your first paycheck.
10. When it comes to chocolate, resistance is futile.
11. Make peace with your past so it won't mess up the present
12. It's OK to let your children see you cry.
13. Don't compare your life to others. You have no idea what their journey is all about

14. If a relationship has to be a secret, you shouldn't be in it.
15. Everything can change in the blink of an eye. But don't worry; God never blinks.
16. Take a deep breath It calms the mind.
17. Get rid of anything that isn't useful, beautiful or joyful.
18. Whatever doesn't kill you really does make you stronger.
19. It's never too late to have a happy childhood. But the second one is up to you and no one else.
20. When it comes to going after what you love in life, don't take no for an answer.
21. Burn the candles, use the nice sheets, wear the fancy lingerie. Don't save it for a special occasion. Today is special.
22. Over prepare, then go with the flow.
23. Be eccentric now. Don't wait for old age to wear purple.
24. The most important sex organ is the brain.
25. No one is in charge of your happiness but you.
26. Frame every so-called disaster with these words 'In five years, will this matter?'
27. Always choose life.
28. Forgive everyone everything.
29. What other people think of you is none of your business.
30. Time heals almost everything. Give time,...time.
31. However good or bad a situation is, it will change.
32. Don't take yourself so seriously. No one else does.
33. Believe in miracles.
34. God loves you because of who God is, not because of anything you did or didn't do.
35. Don't audit life. Show up and make the most of it now.
36. Growing old beats the alternative -- dying young.
37. Your children get only one childhood.
38. All that truly matters in the end is that you loved.
39. Get outside every day. Miracles are waiting everywhere.
40. If we all threw our problems in a pile and saw everyone else's, we'd grab ours back.
41. Envy is a waste of time. You already have all you need.
42. The best is yet to come...
43. No matter how you feel, get up, dress up and show up.
44. Yield.
45. Life isn't tied with a bow, but it's still a gift.

I wanted to share this column with our members because as a business owner myself I know how easy it is to get caught up in it all!

This column isn't necessarily business focused but life driven, which makes it even better!

For those of you who have read it, enjoy because it never gets old!

Cheers Robin

All Candidates Breakfast

On Wednesday, October 6th, the King Chamber of Commerce hosted another exclusive opportunity for our members. The All Candidates breakfast was a sold-out success, giving members the opportunity to listen to their candidates and find out how they will help the business environment in King, if elected.

Jim Scott facilitated the panel at the Cardinal Golf Club. All candidates were on-hand (except for 2 who couldn't make it), to explain their business views and to answer questions.

Thanks to all the Candidates, Jim Scott and the Cardinal Golf Club for making our breakfast a huge success.
